7. (Unclassified - GLC) Dropped by the office of Representative Hale Boggs to acknowledge receipt of Boggs' letter transmitting a number of documents which Boggs had received from [redacted] on the subject of Cuba and Latin America. Boggs' office confirmed that this material had been sent to us on an information basis and that no reply was necessary.

8. (Internal Use Only - JGO) Received a query from [redacted] concerning a Library of Congress query for an ORR unclassified publication of limited distribution for forwarding to a member of the Senate. I indicated that this Office would agree in this instance to advising the Library that if they would furnish the document copy they held, the Agency would replace it.

9. (Top-Secret - JGO) Received a copy of the transcript of testimony of Mr. William G. Foster, Director, Arms Control and Disarmament Agency, before the Senate Preparedness Investigating Subcommittee of 3 May and forwarded it to [redacted] DD/I, for review and return to this Office.
